	American Political Science Association (APSA)		2023–2025
	Invited Talks		
	School of Government, Sun Yat-sen University		2024
	External		
FELLOWSHIP, GRANTS AND AWARDS	Prestage-Cook Travel Award (\$500), SPSA		2026
	Travel Grant Award (\$500), Democracy & Autocracy Section, APSA		2025
	Best Paper Award, Summer Institute in Computational Social Science, Rochester		2024
	National Scholarship for Graduate Students (\$2,850), Ministry of Education, China		2021
	First Prize, 16th “Challenge Cup” National College Students’ Academic Competition, China		2019
	Internal Campus-Wide		
	Graduate College Summer Fellowship (\$5,500), University of Iowa		2026
	Graduate College Post-Comprehensive Research Fellowship (\$11,375), University of Iowa		2025
	Graduate Student Senate Travel Funds (\$320, \$300), University of Iowa		2025–2026
	Graduate & Professional Student Government Travel Grant (\$350), University of Iowa		2024
	First Class Grant and Scholarship (\$8,570), Sun Yat-sen University		2019–2021

Internal Department

Best Graduate Seminar Paper, University of Iowa 2025
Department Summer Scholarship (\$2,000; \$5,500), University of Iowa 2023, 2025
Travel Grant (\$500, \$1,500, \$1,350), University of Iowa 2024–2026

RESEARCH EXPERIENCE

Co-Investigator

Weibo Annotation Project 2026–Present
Wrote the codebook, built the annotation application, and trained coders for a corpus of about 80,000 posts from Weibo, a major Chinese microblogging platform.

Research Assistant

Disasters, Migration, and Violence (DMV) Lab, NSF-funded, University of Iowa 2024–2025

Worked with Professors Sara Mitchell and Elise Pizzi; built a cross-national time-series dataset on government responses to disasters.

Prof. David Greenwood-Sanchez, University of Iowa

Summer 2023, 2024

Collected Chinese policy documents on potato promotion; analysed public attitudes towards GMOs in Mexico.

Group Leader

Nine-Province Rural Survey, Fudan University

Summer 2019

Led fieldwork in three villages; fielded a paired-profile conjoint and an item-count experiment.

SERVICE

Reviewer: *Journal of Elections, Public Opinion and Parties*

ADDITIONAL TRAINING

University of Rochester

Summer Institute in Computational Social Science

2024

SKILLS

Technical: Python (Hugging Face, OpenAI API, scikit-learn), R, Stata, $\LaTeX$, Git/GitHub

Methods: Quantitative text analysis and word-embedding measurement; large language models for classification and annotation; survey and conjoint experiments; causal inference (matching, difference-in-differences, regression discontinuity); time-series analysis; multi-level and spatial models

Language: English (Fluent), Mandarin Chinese (Native)
